

## *Cruiser Oil, 15w/40, CI-4/SL*

Product code s2224, August 2022

### Description:

Cruiser Oil is a semi synthetic, Medium Ash, 15w/40, CI-4, SL, engine oil, designed for both Japanese Diesel and Petrol engines, offering maximum protection under both normal and severe operating conditions.

The formulation of Cruiser Oil with semi synthetic base oil offers maximum protection even under extreme conditions and energy saving characteristics.

### Recommendations:

Cruiser oil is recommended where a 15w/40 medium ash diesel, or pre 2004 petrol oil is to be used, particularly in Japanese Diesel engines.

### Specifications:

Cruiser Oil meets or exceeds the following:

API CI-4/SL	Volvo VDS3	Mack EOM
ACEA A3,B3,E3	Cummins 20076	JASO DH-1

### Typical Properties

SAE	15w/40
Density, kg/Lt at 15°C	0.884
Viscosity, cSt at 100°C	14.9
at 40°C	107
Viscosity Index	145
Total Base number	10
