

Diesel LOGIC, 15w-40, CI-4/SL ***Semi Synthetic Diesel Engine Oil***

Product code s2210, August 2022

Description

Synforce Diesel **LOGIC** has been formulated using the finest Paraffinic and Synthetic base stocks and additives, an advanced Heavy Duty Diesel Engine Oil designed to meet the requirements of API CI-4, European ACEA E5-99, JASO DH-1 and Cummins CES 20078, as well as meeting or exceeding other specifications.

Diesel LOGIC has a high Total Base number (TBN) offering enhanced protection and extended drain capability.

Meets or Exceeds:

ACEA	E5-99, E3-96, A3/B3-98
API	CI-4, CH-4, CG-4, CF-4, SL
Volvo	VDS-3, VDS-2
Mack	EON-Premium Plus
Cummins	CES20071/72/76/78
MB	228.3
Man	3275
MTU	Type 1 & 2
Global	DHD-1
Jaso	DH-1
Caterpillar	ECF-2/1
Renault	RLD-2

Typical Properties

SAE Viscosity	15w-40
Viscosity cSt at 40°C	106
Viscosity cSt at 100°C	15
Viscosity Index	147
Total Base Number	10
Density kg/L at 15°C	0.885
