

Long LIFE 100, HDD Universal Coolant concentrate

6 years, 1,000,000 km or 12,000 hours
Product code s8501, May 3, 2005

Description ;

Long Life 100 is a superior, fully formulated Heavy Duty Hybrid technology universal engine coolant.

Long Life hybrid technology coolant has the advantage of being more robust than both conventional and Organic Acid Technology (OAT) engine coolants, and is fully compatible with both.

Long Life 100 is low in silicates, phosphate and amine free and is recommended for use in passenger cars, 4WD's, light and heavy duty diesel applications in all area's and provides excellent high temperature aluminium protection.

Long Life 100 does not require an initial charge of supplemental coolant additives (SCAs) upon initial fill in heavy duty diesel engines as the product has been formulated to protect heavy duty diesel engine wet sleeve liners.

Long Life 100 is compatible with coolant filters and when used at 50% coolant with de-ionized water, offers the following ;

- | | |
|---|------------------------------|
| * low silicate | * Phosphate and amine free |
| * Meets or exceeds all OEM approvals | * No initial SCA requirement |
| * Universal use | * Full coolant compatibility |
| * Compatible with standard SCA and coolant extenders | |
| * Extended life up to 6 years, 12,000 hours or 1 million kilometres | |

Meets or Exceeds ;
