

Moto 1 Fork Oils

Product codes s6370, s6371, s6372, s6373, Sept. 10, 2004

Description ;

Moto 1 Fork Oils are high viscosity index, semi synthetic fork oils formulated to withstand the demanding requirements of competition Motorcycles.

Moto 1 Fork Oils are blended with the most SHEAR STABLE Viscosity modifiers ensuring stable performance under extreme conditions.

Seal performance is enhanced with the addition of a Seal Swell additive, offering better sealing, seal life and protection from contamination

Recommendations;

Refer to OEM Manufacturers recommendations for correct grade

Typical Properties ;

	Moto 1-5	Moto 1-10	Moto 1-15	Moto 1-20
Viscosity @ 40 deg C (cst)	15.6	32	46	68
Viscosity Index	176	189	179	166
Product code	s370	s371	s372	s373

Moto 1 fork oils can be inter mixed to achieve different grades
