

ProVIS, 10w/40, SN/CF

Product code s2239, Dec, 2017

DESCRIPTION

ProVIS 1040 is formulated using Group 2 Hydrocracked base oil technology and provides the ultimate in protection and performance. This premium quality engine oil meets and exceeds the latest API: SN/CF and is suited for all types of four stroke petrol and light duty Diesel engines, operating under the most severe and varied conditions, such as high temperature highway driving conditions or low temperature stop-start driving around town.

SPECIFICATIONS:

ProVIS 1040 meets or exceeds the following demanding performance requirements:

API: SN/CF/CD
VW 500/501/505
Rover RES.22.OL.G-4

ACEA: A3/B3-12, A3/B4-12
Ford M2C.153E
Mercedes Benz 226.0, 229.1

Typical properties

Viscosities	cSt @ 40	90.6
	cSt @ 100	13.5
	Viscosity Index	151
