

## ***SeaPRO 1040***

July 10, 2010

### **Description;**

SeaPRO 1040 is a high performance energy conserving crankcase oil blended from selected high viscosity index base oils and unique additive technology for water cooled four stroke Outboard engines.

SeaPRO 1040 is optimized to provide superior fuel efficiency and engine protection under all conditions, especially during low temperature start up and extreme hot running conditions.

SeaPRO 1040 offers;

- Maximum protection against corrosion
- Maximum protection against sludge build up
- Maximum protection under severe operating conditions

### **Recommendations;**

SeaPRO 1040 is recommended for water cooled marine Outboard four stroke engines where the manufacturer requires either a 10w/30 or a 10w/40 multi-grade oil or where superior fuel efficiency and protection is required.

Meets or Exceeds requirements of;

API SJ/CH4

### **Typical Characteristics;**

SAE	10w/40
Viscosity @ 40 ° C	90.9 cst
100 ° C	13.7 cst
Pour Point	-36
Ash % m	.85
Viscosity Index	153
