

Transgear 75w-85

Product code s3251

Description

Synforce Transgear 75w-85 is an extreme pressure API GL-4 gear oil

Recommendations

Synforce Transgear 75w-85 is recommended for front wheel drive transaxle and other manual transmissions, steering boxes and automotive gear applications operating under moderate loads where an API GL-4, SAE 75w-85 gear lubricant is called for.

Advantages:

Easy low temperature and cold start operation

EP Performance for protection under load

Stable viscosity for extended drain

Use where Synforce Cruiser Gear Oil 80 was previously recommended for manual transmissions

Typical Properties

| | |
|-----------------------|--------|
| Viscosity @ 100 deg C | 12 cSt |
| Viscosity @ 40 deg C | 80 cSt |
| Pour Point | -33°C |
| Viscosity index | 145 |
| Density @ 15 deg C | 0.86 |
